

# FOOD SHORTAGES?

# WHAT ARE WE TALKING ABOUT HERE?

- This is all political hype to keep people fearful and dependent upon the elitists in power.
- This is going to happen, and millions of people are going to die all over the world.

# WHO SAYS?

- International
  - War in Ukraine
  - Covid shutdowns in China
  - Supply chain slowdowns
  - Economic slowdown and inflation
  - World Economic Forum great reset
  - Climate change

# WHO SAYS?

- National
  - Bird flu / swine flu
  - Food processing plant fires
  - Agricultural land use restrictions
    - Purchases of farm land
    - CO<sub>2</sub> pipeline construction
  - Regulation of food production

# WHO SAYS?

- Business
  - Fertilizer restrictions
  - Targeted restrictions on production: natural vs. created, direct vs. indirect, intentional vs. secondary.
  - Supplies, production, distribution

# WHAT IS THE RISK TO ME?

- Prices up
- Supplies down
- Unlikely that America will be severely impacted, just inconvenienced
- Assess the potential impact and the criticality of occurrence (risk assessment).
- Be independent

# WHAT TO DO ABOUT IT

- Determine your risk and your response
- Assess your needs
  - Who and how much?
  - Quality, quantity, variety
  - Supplies: food, water, shelter, healthcare, sanitation
- What do you think?
